Teaching All Nations

We are thrilled to announce that we will be hosting an educational mission work event titled “Teaching All Nations” on September 13, 2014 at the Duluth Church of Christ building in Duluth, Georgia. The topic of this event, “What is Mission Work?” will inform and inspire attendees by giving them a better grasp of what mission work is and how they can spread the gospel both at home and abroad. Potential topics we will explore at this event include “What is a Missionary?” “What is Congregational Oversight?” and “What is Proper Assessment of Mission Work?” These potential topics will equip attendees with information that will help them take up the Great Commission given by Jesus in Matthew 28. We hope you will be able to join us for this event in person or via online streaming!

Mission Works

Several of our Truth For The World office staff members are taking mission trips this year. Internet and Mobile Services Coordinator Benjamin Bruce departed for a mission trip to Peru along with other members of the Church and preachers from Peru’s capital, Lima. Benjamin will be helping host Vacation Bible Schools for Children and Gospel Meetings for all ages in several cities in Loredo. He and his fellow missionaries will also be holding Bible studies with members of the local communities and inviting them to these events. Benjamin recently sent an update saying they have had five baptisms and two restorations so far. We at Truth For The World are very excited for all the great work being done in Peru. We ask for your prayers that these missionaries will continue to make a positive impact as they spread the gospel to these communities.

Educational Services Coordinator Kevin Graves will take a mission trip to Myanmar in Southeast Asia along with his wife, Pam, sons Jordyn and Brandyn, and daughter-in-law, Hannah. The Graves plan to land in Kuala Lumpur and will meet with TFTW Graphic Designer Phillip Vanwinkle to work with the congregation there for a week. Next, they will travel to Tachileik to work with the local congregation. Kevin, Brandyn, and Jordyn will preach lessons on the Lord’s Church, the New Testament as the Perfect Law of Liberty, and the Old Testament foreshadowing the New. Pam and Hannah will teach ladies’ and children’s classes. During the day, the Graves will conduct in-depth studies of 1st Corinthians. The Graves are being supported in their work by the Duluth Church of Christ and by Larry Sullivan. They are continuing to raise support until they depart to help church in Tachileik purchase a plot of land, a hut, and Burmese Bibles and songbooks.

TFTW Hosts Summer Interns

We are pleased to be joined by two interns this summer, Leonard Morrow from Atlanta, GA and Courtney Stinson from Montgomery, AL.

Meet Leonard

Hey! I'm Truth For The World's Multimedia Intern, Leonard Morrow. I am 19 years old, born and raised in Atlanta and attend the Duluth Church of Christ. Since the Duluth COC works so closely with TFTW I was eager to be a part of the work going on here. In the short couple of months that I have worked for TFTW, I have learned a lot about the audio and visual production that goes into the content we distribute. Truth For The World is a great work that spreads God's word to many countries all over the globe. When I'm not interning at TFTW, I write music, longboard, practice martial arts, or work at the Lego® store.

Meet Courtney

Hi! I'm Courtney Stinson. I am 22 years old and am originally from Deatsville, Alabama in the Montgomery area. I recently graduated from the University of Alabama with a Bachelor's degree in English and Communications. I had been following TFTW on Facebook for several months when I found out that they needed interns and I jumped at the chance to join in the work here. I am assisting with several marketing initiatives to help expand Truth For The World's reach and spread the gospel to more souls. In my spare time, I enjoy writing, photography, and making digital videos.
